

# KURT WOLFGANG KRAFFT

FULL-STACK SOFTWARE DEVELOPER

## ABOUT

I am an eager and determined junior developer. I like to work in group environments, but can work hard anywhere. I went to college for philosophy then went to Nashville Software School for Python/Django. I like to be proficient and efficient, as well as punctual and professional, and lastly fun!

## EXPERIENCE

### NASHVILLE SOFTWARE SCHOOL

NSS | January 2020 - July 2020

- Learned so many website development skills
- Participated in many group projects
- Challenged myself, and succeeded my own expectations

### BAR MANAGER

Fat Bottom Brewing Co. | May 2017-March 2020

- Managed bartenders and the bar itself (stocking/inventory)
- Enhanced customer experience, bar efficiency, and my own work ethic
- Aided other managers in restaurant quality and cleanliness (100 on bar health inspection)

### MEMBERSHIP CONNECTOR

YMCA | May 2016- March 2017

- Aided clients in membership issues
- Scanned cards and maintained a positive attitude
- tour facilities to potential customers
- Helped with outreach to the mentally handicapped

### MUSICIAN

Nashville | Jan 2010 - August 2019

- Played music in a wide range of bands across the country.
- Learned leadership skills and hard work
- Developed passions and ability for growth

## EDUCATION

### BACHELOR OF SCIENCE, MAJOR IN PHILOSOPHY

Belmont University | 2016  
minor in Music Business
